THE CONCEPT

Another Travel is the signature journey of Chris Deflandres: progressive, melodic and evolving. Each episode is designed as a musical progression rather than a fixed formula.

RADIO

A format developed for radio, podcasts and long-form listening, with room for discovery and musical storytelling.

LIVE

A format adaptable to clubs, festivals, open-air and sunset sessions — from focused 60–90 minute sets to extended 2–3 hour journeys.

Another Travel • radio identity • long-form progressive & melodic storytelling

A collector's ear, shaped by progressive culture

Chris's identity is grounded in musical selection as much as technical performance. Progressive music, long-form mixing and the culture of specialist labels have been a constant thread.

A long-standing passion for the Bedrock Records sound — a personal reference point within Chris Deflandres' progressive musical culture.
